"I fully support the Governor, his Covid 19 response and his team's decision to vaccinate a group of seniors who have a below state average for receiving vaccinations.

The Governor's science based approach is working and we should be thankful for every Florida senior who received a vaccine.

Personally, I want to thank Governor DeSantis for standing strong in the face of so much media criticism. Florida has stayed open, kept families employed and still managed the pandemic better than most any other state."

It will be handled by National Guard for sec etc a d they will bring in nurses to give vaccine. We are close

Just wish they'd finalize. Ain't that hard. Glad you got them this far.

Excellent point. After all, 22 is right around the corner

Yup and he is better known on east side. Premiere could have a nice setup for him

Absolutely, we will make a very big deal about having it at Premier. This can be huge for him
