Your affiant was able to determine this based on training and experience that the technology does not exist to create digital images or videos of truly life-like humans. Your affiant has viewed the most advanced forms of digital human beings and knows that the images described above are vastly different in quality and are clearly not animated or manufactured.

CLEAR is an online investigation software that searches thousands of data sets based off of the input provided by the user, to locate information.

A search using CLEAR shows that the phone number of (440)-665-7711 once belonged to an Owen P. Hagan with a DOB of 03-11-94 and it was on a Utility Service, from when he lived in Ohio.

On 03-17-2021 I was advised that Investigator M. Arena with the Ohio Internet Crimes Against Children Task Force was investigating another NCMEC Cyber-Tip 83004091 involving the same subject. I was additionally advised that a search warrant was completed on the residence

located at 2501 Hampton Rd, Rocky River OH 44116. I was sent a copy of their search warrant, which included the IP address of **174.66.202.161** which was associated to their Cyber-Tip as well. They had received a return from Cox Media which showed account information of:

- Subscriber name: Kerri Hershey
- Subscriber address: 2501 Hampton Rd, Rocky River OH 44116
- Account Holder's Phone Number: (216)-287-7515

They also obtained subscriber information for the Kik user account associated with their Cyber-Tip which had an e-mail address of ian.kilbane37@gmail.com and a screen/username of "copen371" along with the ESP USER ID of "copen371_4dr". They obtained subscriber data which shows:

- First Name: Owen
- Last Name: L
- Email: ian.kilbane37@gmail.com
- Registration date & time: 2020/07/21 19:26:39
- Client Version: 15.24.0.15054
- Device Type: iPhone

After Investigator M. Arena completed a public record query they confirmed that an Owen Hagan with the date of birth of 03-11-94 had a recent address of 2501 Hampton Rd, Rocky River OH 44116.

They executed a search warrant on the residence and through their investigation they learned that the Owen Hagan subject had recently moved to Florida to live with his mother, Melinda Hagan at an address within Manatee County Jurisdiction.

On 03-17-2021 I responded to Palm Bay Mobile Home Park at 751 10th St E, along with Detective S. Luke to try and locate Owen Hagan. I contacted Melinda Hagan, who confirmed that her son Owen was living with her, and he should be inside. Melinda allowed law enforcement inside of her residence, and she opened the door to Owen's room, where he was on his bed. Contact was made with Owen and an interview was completed.

During the consensual interview, Owen advised that he only had one phone and he provided the password to the phone when I asked him for it. Owen initially advised that Law Enforcement could look at his phone, but then changed his mind stating that he preferred that law enforcement did not go through and look in his phone. Because of this, the phone was placed into "airplane mode" and then left alone. Owen was asked if we could search his room for any additional electronics and he stated that we could. Owen's room was searched and no additional electronics were located. While the search was being conducted I continued my interview with Owen. Owen confirmed that his e-mail address was "copenhagan37@gmail.com" and stated that he did not have any other e-mail addresses. Owen advised that his phone number is 440-463-2174 and he isn't sure what type of iPhone his phone is. Owen also advised that he obtained his current phone, from a family member, back sometime around "April-August" of last year and the phone

was not factory reset prior to him receiving the phone. Based on Owen's statements, the white iPhone with a black case (referred to as item CL1) was confiscated as, according to Owen, that is the only electronic device that connects to the internet, that he uses or has access to and there were no other electronic devices located within Owen's room.

A forensic analysis of Owen's phone, the iPhone 6s (referred to as item CL1) was completed by Det. S. Luke and provided to your affiant. I viewed the Cellebrite Reader report and I observed the following information to be on the phone:

- Phone Model: iPhone 6s
- Apple ID: ohagan736@gmail.com
- Apple ID: owen.hagan37@gmail.com
- Apple ID: copenhagan37@gmail.com

Within the Web Bookmarks section of the report, it shows that there are **55** bookmarks directed towards a “.RU” website that is known to host Child Pornography.

Within the Chats section of the report there are multiple different chats where the user of the phone talks about wanting to “rape” girls. Additionally, there is a chat that started on 03-17-2021 at 12:53:17 PM(UTC-4) using KiK Messenger where the user of “Owen K” is speaking with a subject named “Emila” who states she is a “14female us”. The conversation continues both subjects exchange images of their face. The image shared by “Owen K” is in fact Owen Hagan. After the images were shared “Owen K” replies “You wanna be raped”. “Emila” replies “Mwyabe”. The last conversation in this chat is from “Owen K” stating “How” on 03-17-2021 at 1:01:51 PM (UTC-4). There are 4 additional chats in which the user “Owen K” messages different people talking about wanting to obtain images of juveniles, or about how he wants to have sex with and/or rape juveniles. (It should be noted that all these chats occurred on the same day that law enforcement contacted Owen Hagan). Also, these chats go back as far as 2017 showing Owen in some sort of possession of the phone, where messages state things like “Yo fin it’s Owen you trying to toss some bags” or from 2019 where the user sends “Moises its owen” and the chat continues. In 2020 a message from December states “Hey dickhead it’s Owen”. On 3-11-2021 there is a chat string using Facebook Messenger that shows the user as “Owen Hagan”. There were also multiple images that would be considered “Child Erotica” or I was unable to determine and approximate age of the subjects in the image. Within this section there were 11 individual images that would constitute a violation of F.S.S. 827.071(5) (A).

Within the Videos section of the report, there is a video showing a driver license belonging to “Owen Hagan” and another showing a birth certificate for an “Owen Hagan”. There are 22 videos depicting sexual conduct of subjects where I could not determine an estimated age, or they were duplicate videos. Additionally, there are 15 videos that would constitute a violation of F.S.S. 827.071(5) (A).

Contact was made with the prosecutor working this case in Ohio. After speaking with prosecutor, Fallon Radigan, it was determined that they would pursue any charges that might be obtained through “DropBox” as it was logged into in Ohio and that is where their Cyber-Tip information was obtained. Any of the images and/or videos on the phone would be within the jurisdictional boundaries of Manatee County Sheriff’s Office as Owen Hagan was within Manatee County and in possession of the phone, where the following videos and images were located, when contact was made with him.

On this phone, marked as CL1, I located 26 images and/or videos that depicted Child Pornography. Of these images and/or videos at least 26 of them were unique and constitute a violation of F.S.S. 827.071(5) (A). Additionally, there was sufficient information on the phone that documented that Owen Hagan had been in use of this phone before, during, and after any type of Child Pornography was downloaded on to the phone and that the user of this phone actively sought out Child Pornography. Owen Hagan was also in possession of and confirmed this was his phone, when I contacted him. Due to this I believe there is probably cause to charge Owen Hagan with the following images and/or videos.

26 of the images and/or videos are described as follows:
